

From Brighton to Baghdad...

SMASH EDO

Shutting Down The Bomb Builders

For 4 years a group of Brighton activists have fought to close down local weapons manufacturers EDO-MBM, who make parts for bombs used in Iraq and Palestine.

Despite police repression, arrests and imprisonment they have refused to give up, costing the company millions of pounds.

Now they need YOUR help to finally close EDO!

Premiering the new full-length Smash EDO movie...

SPEAKERS!

Get the inside story of the campaign, discuss tactics and organise for the future.

Smash EDO are calling for groups around the country to organise solidarity actions against companies working with EDO MBM in their local areas. This will be a chance to discuss ideas for local action.

Now at a venue near you!
